A-Boards

- Our A-boards are constructed from smooth anodised aluminium and are superb display units, with front opening snap frames, perfect for showing off your posters. These units contain a smooth non-sticky removable film which will protect your display, though they are not water-proof. Ideal for use as a portable display unit.

Prices include 2 message posters of your choice. Offer not available online.

Roll-up banner stand

- Our banner stands are lightweight and of sturdy construction, made from aluminium. Banner stands are pole-mounted and come with a durable base unit. They are versatile and portable and include a handy carry bag. Change or update your graphic for only £60.

Illuminated banner stand

- Our new illuminated banner stands are freestanding and double sided – ideal for reception areas and events, and especially effective in low light conditions. Our price of £199 includes 2 graphics. Not available online. Flat packed for convenience. Replacement graphics available for only £30 per graphic. Total weight 8kg
