

The image features a large, bright yellow circle centered on a light yellow background. Inside the circle, there are three stylized wheat stalks made of orange outlines. One stalk is on the left, one is on the right, and one is in the center. The central stalk has a heart shape at its top. The text 'THE JOY OF THE HARVEST' is written in a bold, orange, sans-serif font, centered within the circle. A faint, grey watermark reading 'Sampole' is visible across the middle of the circle.
