

A vibrant, stylized illustration of a landscape. The sky is a solid blue, featuring a hot air balloon with red and yellow sections, a bright orange sun, and two white clouds, all suspended by thin lines. The ground is a solid green. In the foreground, there are several green mountains of varying heights, some with white snow-capped peaks. A winding red path leads from a small town of colorful buildings (pink, blue, and orange) on the left towards the mountains. A large, semi-transparent watermark reading 'Sample' is oriented diagonally across the center of the image.
