

A vibrant, stylized graphic design for Easter. The background is a solid yellow color. The design is framed by a black border with decorative corner elements. At the top center is a large, simple cross. Below it are stylized buildings with smaller crosses on their roofs. In the center, the word "EASTER" is written in large, bold, blue capital letters with a white outline, enclosed in a red rectangular border. Below the text is a stylized sun with radiating lines. At the bottom, there is a large, striped egg and a tomb with a rolled-away stone. The entire design is composed of simple geometric shapes and lines in blue, red, and black.

EASTER
