Coming alongside others

DEVELOPED BY TREVOR J. PARTRIDGE

**Paraclesis: Journeying Together** is a fresh look at pastoral care. It enables the Church to become a more caring community of people, turning their life experiences into a gift of support for others around them.

The six-week series becomes a central part of church life and engages the whole church family as it learns and grows together through sermons, weekly small group meetings and a personal *Daily Guide* workbook.

Over six weeks, explore:

- **Caring** – Who cares?
- **Loving** – Loves comes alongside
- **Journeying** – The resource of journey
- **Living** – Choose life
- **Healing** – Strong at the broken places
- **Connecting** – Have you ever felt the need?

*'Our local communities do not care how much we know, what they want to know is how much we care!'*

(Trevor J. Partridge, pastor, developer of Paraclesis: Journeying Together and co-founder of CWR)

*'I am really looking forward to being a part of where our church will go with this initiative and to see what happens once the days are completed. I sense this is just the beginning of an exciting journey for our church!'* (feedback from a pilot church)
