

**Church
Communications
Improvement
Project**

With proceeds going to the **Church Communications Improvement Fund**, which provides funded resources to help churches with their communications. This enables them to serve their communities better.

By supporting this project, you are empowering the church to reach the world with the good news of Jesus' love.

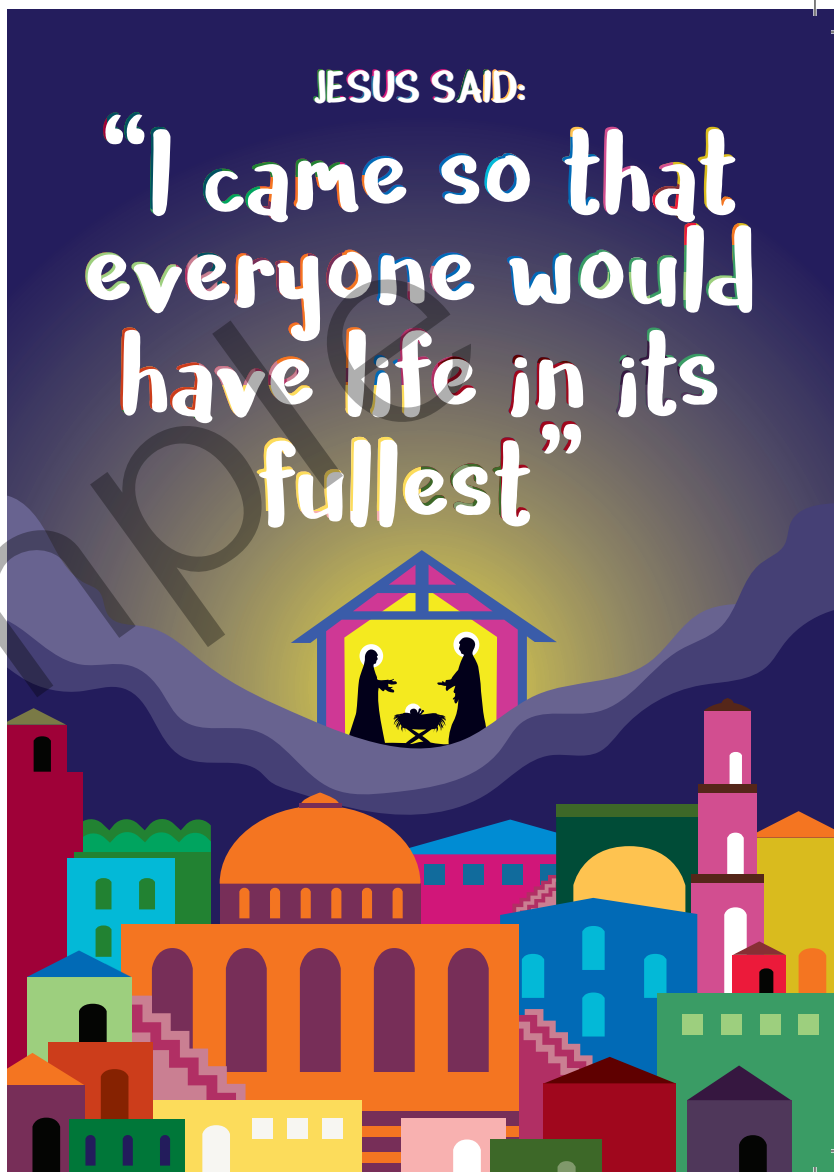

For more information visit www.churchcomms.uk

CPO have been helping churches for 60 years reach their communities with the good news of Christ.

JESUS SAID:

“I came so that everyone would have life in its fullest”
