THE
CHRISTMAS
STORY

IN FOCUS

How do you take your photos? Smartphones and cameras automatically give us focus. They make things sharp and clear, (sometimes too clear in a selfie!).

If it was only that simple to find focus at Christmas! There's so much to distract us that we end up thinking only about the stress and the trimmings and forget the real, simple and life-changing story which forms the centrepiece of it all.

Join us this year to take a fresh look at the great news at the heart of the season: the birth of Jesus. We'd love to welcome you to our celebrations.
