

A vibrant, stylized illustration of a landscape. The sky is a solid blue, featuring a hot air balloon with red and yellow sections on the left, a bright orange sun in the center, and two white clouds on the right. The ground is a solid green, with a winding red path leading from a small town of colorful buildings on the left towards several green mountains. Some mountains have white snow-capped peaks. A large, semi-transparent watermark reading 'Sample' is oriented diagonally across the center of the image.
