

A vibrant paper craft scene set against a blue background. At the top, a hot air balloon with red and yellow stripes hangs from a string. To its right, a bright orange sun and two white clouds are also suspended. Below, a green landscape features several green mountains with red paths winding up their sides. In the distance, two blue mountains with white peaks are visible. On the left, a small town with colorful buildings (blue, pink, orange, and blue) sits on a green patch of ground. A red path leads from the town towards the mountains.
